Subject: Re: Fwd: Sesko

Just spoke with Natacha Sesko. She has given the "Salty Dog" to a fellow named (b) (6). He has taken it "away" to work on it. Apparently he repaired the engine and motored it to its current (but unknown) location. The sailboat, "Saillin" has been moved to a slip in the Port Washington Narrows marina. The little blue dinghy, "Bill", remains on the beach but, according to Ms. Sesko, will be repaired and hauled out soon. I will close out the derelict vessel files on "Salty Dog" and "Saillin".
